We have partnered with Westbrook University as an Affiliate Institution to offer CEU/CME to those in the professions that require annual credits completed.

After an online Challenge Exam, you will be mailed a Completion Certificate from Academy EPIC. This typically serves as enough confirmation for most professions.

However, if you need more “validity”, that is when you pay the \$30.00 and utilize Westbrook University certification.

It is the Responsibility of the attendee/student, to check with the licensing agency of your state, country or province on CEU/CME requirements. By doing this you are ensuring your profession accepts documentation from WestBrook University prior to paying the fees indicated.

Westbrook University is a subsidiary of Westbrook Educational Group
